RE: United States v. Damien Matos, 20-cr-361 (KMW)

Dear Judge Wood:

We write on behalf of our client, Damien Matos, to respectfully request an extension of time to file our sentencing submission, currently due on March 7, 2022, to March 21, 2022, and relatedly, an extension of time for the government to file its response from March 14, 2022 to March 28, 2022, and an adjournment of the sentencing, currently scheduled for March 23, 2022 at 12:00 p.m., to a date on or after April 6, 2022. We are requesting this adjournment because we need additional time to confer with our client with respect to our sentencing submission, in part because we need additional time to review the mitigation specialist's report with him. ] *Granted*

This is our second request for an extension of time to file Mr. Matos's sentencing submission and to adjourn his sentencing accordingly; Your Honor granted the defense's previous request. The Government does not object to this request.
